RE: Park Assignments

BACKGROUND

Commissioners are encouraged to frequently visit all City parks and each year a Commissioner is assigned a park to visit. The purpose of the assignment is to identify potential opportunities of new enhancements or possible improvements within the assigned park. Each Commissioner will be given an opportunity at the Commission meetings to report back on their assigned park or any park or they may have visited in the community if they would, this is **not required**. The 2022 park assignments are:
