

STAFF REPORT

TO: Parks & Recreation Commission
FROM: Bryce Shearen, CPRP, Parks & Recreation/Community Services Director
DATE: April 6, 2023
RE: MRPA Article

ACTION REQUESTED

None. Information update to the Parks and Recreation Commission.

BACKGROUND

Staff had the opportunity to meet with the Minnesota Parks & Recreation Association (MRPA) President at last year's MRPA annual conference. The Parks and Recreation Director discussed a lot of the new parks and recreation projects that have been going on in Little Canada and he wanted to talk more.

Staff was recently contacted by the now Past-President and he wanted to write an article about Little Canada and highlight some of the great things that the City is doing to provide exceptional public recreation services and facilities to the community. Attached is the article in the latest MRPA magazine.
